

CHA-CHA-CHA METHOD

- ❖ **Chunk it** - bracket around the parts of the lit you plan to keep, down to 30 min
- ❖ **Chuck it** - didn't use it, get rid of it so it's visually chunked to focus
- ❖ **Choose it** - the actual cutting, beginning, middle, end - refer back to dramatic arc to guide
- ❖ **Check it** - time what has been chosen to gauge initial read. Read in front of small audience and have them mark when they're lost, not laughing, bored, etc
- ❖ **Chip it** - get rid of extraneous parts, then time again
- ❖ Do this for EVERY piece EVERY time!
